

## Pines 1779 Soccer Club Scholarship Program

2019-2020

**Overview** || The Pines 1779 SC Scholarship Program is designed to assist families that require a true financial need in order to participate in the Pines 1779 SC Program. Pines 1779 SC cannot assure that every application will be approved for a scholarship; however, every effort will be made to help families with financial hardships with the funds that have been made available through donation and fundraising.

**Application & Deadlines** || Applications will be available starting on July 1st. All applications must be received by July 10th. **Late applications will not be accepted.** All applications will be reviewed as they are received. Scholarship recipients will be notified via email no later than July 15th if they will be receiving any assistance.

**How to Apply for a Pines 1779 Scholarship** || To be considered for a scholarship, the player must complete each step described below:

Step 1 – Complete the form below. • Families with multiple children should apply under one family application.

Step 2 – Submit your most recent Tax Return (just the declarations page). • If you do not have a tax return, please turn in two consecutive pay stubs for all working members of your family. Please note that families without a 2018 Tax Return are less likely to be approved because there is no full income report.

**Eligibility** || To be eligible for a Pines 1779 Scholarship, the player must meet the following criteria: • Players must make the initial registration payment for Club Dues. Scholarships will be reflected on the Member's Account after the registration is paid. • Recipients agree to volunteer at the Club's first Camp/Friendlies in August. • **Please note: the Pines 1779's Scholarship Program does not cover Uniform or Team Fees expenses.**

**Continuing Eligibility** || Scholarship recipients must meet the following ongoing standards to qualify for assistance. Failure to comply with the items below will result in removal from the scholarship program.

- Remain current in adjusted Club Dues.
- Meet volunteer requirements.
- Violation of club rules and policies may result in a scholarship being revoked.

**Application ||**

Please arrange to meet with our Director of Coaching – JD Whittemore to return the completed form. You may reach him at [jd@pines1779.com](mailto:jd@pines1779.com) .

- If your tax return or other supporting documents are not included, do not send this form.
- Application Deadline is July 15, 2019.
